For FASTEST non-warranty turnaround:

1. **Check the KENWOOD/EFJOHNSON flat-rate guide to see if your unit has a flat rate - please note that units with a flat-rate are no longer eligible for an estimate option**

2. **Fill out the ship-in repair form (AF-337), making sure to enter the flat-rate (or your repair limit) in the 'REPAIR QUOTE' section**

3. **Enclose the form with your repair unit and ship to:**
